# IMPORTANT NOTICE

## Conditions of Sale

1. All bids are to be entered by LOT as numbered in this catalog.
2. Coins will be bought for as much below your bids as possible.
3. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of Parcel Post and Insurance will be added to your bill.
4. The lots will be on exhibition at the store of the Cataloger for 3 days prior to the day of sale.
5. The valuations placed after each lot are taken from the latest editions of the Standard Catalogue of U. S. Coins and the Standard Paper Money Catalogue. Where a definite valuation for the condition quoted has not been given in the catalogue, the quotation has been averaged. A plus sign indicates a particularly fine specimen worth more than the catalogue value.
6. The authenticity of the coins is guaranteed by the Cataloger but all claims must be made within 30 days.
7. All bidders unknown to us, who have not established credit, must either send references one week before the sale or send a deposit of 25% of their bids. Bids will not be executed unless this is followed.
8. Accounts must be paid for promptly when bills are rendered. Remit by check or money order. Stamps will only be accepted for accounts below one dollar.
